SPRING FORWARD: FRESH STARTS FOR HOME AND COMMUNITY

March is a month of change. The days grow longer. The air feels lighter. After the quiet of winter, spring gives us a chance to begin again.

A fresh start does not have to be big or expensive. In fact, small steps often make the biggest difference.

One simple way to welcome spring is to refresh your living space. Open the curtains and let in natural light. Wipe down a table or organize one drawer. Even small changes can make your home feel brighter and more peaceful.

Spring is also a good time to refresh your routine. Take a short walk if the weather allows. Stretch your arms and legs in the morning. Drink an extra glass of water. These simple habits help keep our bodies strong at every age.

March is also about connection. During winter, many of us

spend more time indoors. Spring is a great time to say hello to a neighbor, check in on someone, or offer a friendly smile. Small acts of kindness help build a strong community.

This month brings Daylight Saving Time. When you move your clocks forward, remember to check smoke detector batteries and review emergency contact numbers. A few minutes of safety planning can bring peace of mind.

Spring reminds us that growth happens little by little. Flowers do not bloom overnight. They grow one day at a time. We can do the same.

Whether you are enjoying retirement, raising a family, working hard, or starting something new, March is a reminder that every season brings hope.

Let's welcome spring together — with fresh air, fresh starts, and

small steps that make our homes and communities even stronger.

1. Open windows (if the weather allows) for fresh air.
